GO ON, SHOW SOME SKIN

W3LL People Luminous Mineral Bronzer (shown in Hedonist 53) creates a **HEALTHY, SUN-KISSED COMPLEXION** while nourishing skin with aloe, green tea, and chamomile.

Infused with macadamia nut and sunflower seed oil, Lavera Self-Tanning Lotion goes on sheer and virtually scentless to reveal a soft, **SUMMER-READY GLOW** overnight.

Slough away dryness and reveal **NATURALLY SMOOTH SKIN** with L'Occitane Verbena Body Salt Scrub, a zesty cocktail of citrus extracts and Mediterranean sea salt.

A paraben-free blend of zinc oxide, green tea, and coconut oil, True Natural Sunscreen Broad Spectrum SPF 30 sinks in instantly for **LASTING PROTECTION.**
